Overall Length:

6.516 inches

Overall Diameter:

0.781 inches

Frequency Range Rating:

+1.25/+1.55 gigahertz

Trade Designation:

Connector, plug, electrical

Controlling Agency:

Sperry microwave elect div

Identifying Number:

Ug-23e/u mod part no.

Connector Quantity:

1

Fsc Application Data:

Radar sets, nonairborne, except fire control and guide missile

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T224-j
