**Mounting Hole Quantity:**

5

**End Application:**

Radar set, an/tps-43d

**Radiation Pattern:**

Unidirectional single antenna element

**Unidirectional Beam Type:**

Single broad lobe single antenna element

**Beam Scanning Method:**

Fixed single antenna element

**Design Type:**

Corner reflector single antenna element

**Mounting Method:**

Bracket

**Terminal Type:**

Connector, receptacle single antenna element

**Special Features:**

Sidelobe beam type

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A074a0
