Overall Length:

4.250 inches

Overall Height:

1.000 inches

Overall Width:

1.375 inches

End Application:

6625-00-868-8352 signal generator

Component Type And Quantity:

1 rack and 1 pin and 1 key and 1 tube

Special Features:

Gear hsg 1; test set, electronic equip.

Precious Material And Location:

Body surface silver

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A5110
