Overall Length:

3.190 inches

Overall Height:

0.630 inches

Overall Width:

1.500 inches

End Application:

E-3a

Trade Designation:

Connector sma female, termination

Connector Quantity:

2

Special Features:

Fungus resistant materials

Fsc Application Data:

Antennas, waveguides, and related equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T224-j
