Overall Length:

1.188 inches

Impedance Rating In Ohms:

100.0

Coaxial Connector Series Designation:

Tnc

Connector End Design:

Male

Power Rating:

0.500 watts average

Termination Type:

Connection coaxial

Operating Position:

All positions

Cooling Method:

Self-cooled

Style Designator:

Coaxial mounted

Fsc Application Data:

Antennas, waveguides, and related equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A19800
