Fragility Factor:

Moderately rugged

End Application:

4935-01-055-2762

Termination Type:

Connector receptacle

Operating Position:

All positions

Cooling Method:

Self-cooled

Special Features:

Includes 24.000 in. Lg chain one end

Style Designator:

Rf connector, surface mounted

Fsc Application Data:

Antennas, waveguides, and related equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A19800
