End Application:

Receiving set, countermeasures an/alq-142

Radio Frequency Rating:

Not rated

Design Type:

Bidirectional or unidirectional

Unit Type:

Coaxial line or transmission line

Power Loss In Decibels:

Not rated

Terminal Fitting Name:

Connector, coaxial, rf

Terminal Fitting Usage Design:

Main line and secondary line

Criticality Code Justification:

Feat

Special Features:

Cable assembly p/n 1040654-6 and 1040654-7 included

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T389-c
