**Overall Length:**

2.165 inches

**Overall Height:**

0.680 inches

**Overall Width:**

1.550 inches

**Trade Designation:**

Sma conector

**Controlling Agency:**

U.S. Army material command

**Connector Quantity:**

2

**Special Features:**

Rf power rating 300 milliwatts avg; operating altitude, sea level to 8, 000 ft

**Fsc Application Data:**

Antennas, waveguides, and related equipment

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T224-j
