Overall Length:

4.250 inches

Mounting Hole Diameter:

1.250 inches

Mounting Hole Type:

Plain

Overall Diameter:

24.000 inches

Mounting Method:

Unthreaded holes

End Application:

Transportable radio communications an/trc-170

Basic Shape Style:

Cylindrical

Mounting Facility Quantity:

4

Material:

Aluminum

Material:

Aluminum alloy

Surface Treatment:

Paint

Surface Treatment:

Paint

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A12000
