Radio Frequency Transmission Line Switch - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5985-01-231-2300

### **Overall Length:**

2.650 inches

## **Overall Height:**

2.070 inches

# **Overall Width:**

1.090 inches

## Frequency Rating:

0.0 gigahertz single frequency operating and 12.4 gigahertz single frequency operating

# **Operating Tempurature Range:**

-55.0/+85.0 degrees celsius

#### Switch Operation Sequence:

Breaks before makes

### Switching Time:

20.0 milliseconds

#### Shelf Life:

N/a

#### Unit Of Measure:

--

### Demilitarization:

No

## Fiig:

A158a0
