Switch Type:

Transfer

Operating Temperature Range:

-54.0/+85.0 degrees celsius

Insertion Loss In Decibels:

0.05 single

Rf Power Handling Capability:

200.0 watts peak single

Special Features:

Solenoid power; less than 100 msec switching time

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A158a0
