Overall Length:

1.750 inches

Impedance Rating In Ohms:

50.0

Overall Diameter:

0.640 inches

Operating Position:

All positions

Rf Connector Changing Feature:

Not included

Cooling Method:

Self-cooled

Special Features:

Finish primer per mil-p-23377, paint two coats per mil-c-22750 color no. 36231 grey; yellow color band

Style Designator:

Coaxial mounted

Fsc Application Data:

Antennas, waveguides, and related equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A19800
