Overall Length:

2.578 inches

Impedance Rating In Ohms:

50.0

Overall Diameter:

0.800 inches

Frequency Range Rating:

+0.000/+12.400 gigahertz

End Application:

An/mpn-14k mod kit

Voltage Standing Wave Ratio:

1.10 and 1.20

Coaxial Connector Series Designation:

N

Connector End Design:

Male

Power Rating:

10.000 watts average

Voltage Standing Wave Ratio Frequency Range:

+0.000/+12.400 gigahertz

Termination Type:

Connection coaxial

Operating Position:

All positions

Cooling Method:

Self-cooled

Style Designator:

Coaxial mounted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A19800
