End Application:

4920-01-210-6697, data link coupler

Design Type:

Bidirectional

Unit Type:

Transmission line

Terminal Fitting Name:

Miniature trb bayonet, 3 lug receptacle

Terminal Fitting Usage Design:

Main line

Criticality Code Justification:

Feat

Special Features:

Weapon system essential

Fsc Application Data:

Antennas, waveguides, and related equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T389-c
