Overall Length:

3.313 inches

Impedance Rating In Ohms:

75.0

Overall Diameter:

0.500 inches

Termination Type:

Connection coaxial

Functional Description:

Terminating plug

Precious Material And Location:

Center conductor plating gold

Style Designator:

Coaxial mounted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A19800
