Construction:

Telescopic

End Application:

5985-01-279-7942 antenna group

Maximum Height:

6.000 feet

Criticality Code Justification:

Feat

Special Features:

One plug, one coupling, one tube

Material:

Any acceptable

Surface Treatment:

Any acceptable

Fsc Application Data:

Antennas, waveguides, and related equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T224-d
