Construction:

Telescopic

End Application:

5985-01-279-7942 antenna group

Maximum Height:

6.000 feet

Criticality Code Justification:

Mark

Special Markings:

To erect lift top tube-twist lower tube ccw until stop-push top tube down to set and lock

Material:

Any acceptable

Surface Treatment:

Any acceptable

Fsc Application Data:

Antennas, waveguides, and related equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T224-d
