Construction:

One-piece

Mounting Method:

Unthreaded holes

End Application:

5985-01-279-7942 antenna group

Maximum Height:

2.280 feet

Special Features:

Finish adhesive urethane

Material:

Metal

Surface Treatment:

Any acceptable

Fsc Application Data:

Antennas, waveguides and related equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T224-d
