Application Design:

Waveguide

Body Material:

Steel, stainless

Body Style:

Err-090

Overall Length:

1.240 inches

Overall Diameter:

0.380 inches

Operating Temperature Range:

-55.0/+125.0 degrees celsius

Coaxial Connector Series Designation:

Sma

Rf Signal Attenuation In Decibels:

10.0

Connection Type Per Function:

Female output and male input

Terminal Type And Quantity:

2 connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A20000
