Radio Frequency Transmission Line Switch - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5985-01-379-4701

Frequency Rating:

0.5 megahertz single frequency operating and 1220.0 megahertz single frequency operating

End Application:

Tacan beacon, simulator test set, republic electronics co

Special Features:

ContrOl voltage plus 12 volts dc at 30 ma; rf input 1 watt average

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A158a0
