Overall Length:

26.820 inches

Overall Height:

8.000 inches

Overall Width:

10.560 inches

Frequency Range Rating:

+2.7/+3.0 gigahertz

End Application:

Next generation radar (nexrad)

Flange Quantity:

4

Flange Connection Facility Quantity:

8

Insertion Loss In Decibels:

0.7

Connector Quantity:

4

Flange Type:

Choke

Connection Method:

Flange

Specification Data:

56232-1213630 manufacturers source control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T224-j
