End Application:

Nexrad system

Special Features:

Kmedium power fixed coaxial attenuator; attenuation value, 6db; impedance, 60 ohms; frequency range, dc to 18 ghz; pwr rating, 10 w average, 1k w peak; connector 1, type n female; connector 2, type n male

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A20000
