Overall Height:

73.000 inches

End Application:

Apq-170 radar

Unit Type:

Floor

Attachment To Item Supported Method:

Attached on precision adapter plate fixture

Support Type:

Base

Height Adjustability:

Adjustable

Special Features:

Requested name; antenna stand

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T174-c
