End Application:

P-3

Flange Quantity:

2

Flange Connecting Facility And Quantity:

8 unthreaded hole all flanges all connection facilities

Special Features:

insertion loss 0.3 db

Flexibility:

Rigid single tubing segment

Material:

Nickel single tubing segment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A073a0
