Overall Length: 3.790 inches Impedance Rating In Ohms: 75.0 Overall Diameter: 0.570 inches End Application:

5865-01-437-4914

Coaxial Connector Series Designation:

Bnc

Connector End Design:

Female and male

Termination Type:

Connection coaxial

Operating Position:

All positions

Cooling Method:

Self-cooled

Style Designator:

Coaxial mounted

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

A19800
