Cross Sectional Shape:
Internal, rectangular external, rectangular
End Application:
Test stat ele
Tubing Wall Construction Style:
Spiral seam single tubing segment
Flange Quantity:
2
Flange Style:
Contact type all flanges
Flexibility:
Flexible single tubing segment
Material:
Aluminum single tubing segment
Style Designator:
Straight type
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
Yes - demil/mli
Fiia:

A073a0
