**Application Design:**

Transmission line

**End Application:**

An/usm-603, 110 db max, 10db steps, programmable, dc to 18 ghz, rf connector sma fem, dc connector 16 in ribbon cable w/14 pin dip plug

**Coaxial Connector Series Designation:**

Sma

**Overall Attenuation Range In Decibels:**

+0.0/+110.0

**Attenuation Variation Method:**

Stepped

**Step Position Quantity:**

11

**Attenuation Per Step In Decibels:**

10.0

**Special Features:**

Dwg 8496h programmable step attenuator, dc to 110 db,

**Terminal Type And Quantity:**

2 pin

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A223a0
