## NSN 5985-01-486-1173

Electrical Dummy Load - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5985-01-486-1173

Overall Length:
1.935 inches
Overall Height:
0.458 inches
Overall Width:
1.228 inches
End Application:
5840-01-450-8127
Connector End Design:
Male
Termination Type:
Connector
Operating Position:
Operating rosition.
All positions
. •
All positions
All positions Special Features:
All positions  Special Features: 50 position, .05 series amplimite terminator
All positions  Special Features: 50 position, .05 series amplimite terminator  Shelf Life:
