Overall Length:

0.500 inches

Overall Height:

0.500 inches

Overall Width:

0.380 inches

End Application:

Next assembly 4240304 and 4240305 used on alq-99

Special Features:

Housing material: electroless nickel plated aluminum alloy 6061-t6; connectors: sma female, corrosion resistant steel; insertion loss: 0.6db; isolation: 14db; vswr: 1.50: 1; weight: 0.9 ozs max

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
