Overall Length:

3.875 inches

Impedance Rating In Ohms:

50.0

Overall Diameter:

3.500 inches

Product Name:

Eia gas barrier

Special Features:

1-1/8 inch eia gas barrier for pressure differential with 1/8 inch npt gas port on edge of flange open to one connected transmission line and fixed male connector on both ends

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T224-a
