Overall Length:

1.200 inches

Overall Height:

0.637 inches

Overall Width:

0.573 inches

End Application:

Nexrad weather system

Unit Type:

Transmission line

Special Features:

6 position, panel mount

Material:

Phosphor bronze

Material:

Copper alloy 511

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T389-c
