Overall Diameter:

7.000 inches

End Application:

An/tpt-t (v)

Mounting Configuration:

Rectangular flange, 2

Unit Type:

Waveguide

Special Features:

Waveguide flanges are iaw mil-dtl-3922/f2 except one has eight plain holes and one has eight threaded holes, diam.0.250-20 unc-2b

Specification Data:

12115-s+1026-5058 manufacturers specification control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T389-c
