Overall Length:

1.950 inches

Overall Height:

0.500 inches

Overall Width:

1.820 inches

Coaxial Connector Series Designation:

Sma

Special Features:

Broadband insertion tee/dc blocking capacitor; designed to pass fast rise pulses w/ waveform distortion; 2.5 watt max; 0.02 uf capacitance; 50 vdc; sma jacks; 20ps rise time; 1 mh at 30 pct inductance; maximum dc current 500ma

Terminal Type And Quantity:

3 connector, coaxial, male

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A512n0
