Frequency Rating:

4.000 megahertz all antennas and 30.000 megahertz all antennas

End Application:

Element tube assembly no. 6-2

Design Type:

Periodic all antennas and dipole all antennas

Product Name:

Transportable log periodic antenna model lp-1112mr

Special Features:

Dipole, step tapered lgth for wind loading; element tube assembly no 6-2

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A074a0
