**Frequency Rating:**

4.000 megahertz all antennas and 30.000 megahertz all antennas

**End Application:**

Element tube assembly no. 13-2

**Design Type:**

Periodic all antennas and dipole all antennas

**Product Name:**

Transportable log periodic antenna model lp-1112mr

**Special Features:**

Dipole, step tapered lgth for wind loading; element tube assembly no 13-2

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A074a0
