Mounting Method:

Strap

End Application:

Ground navigation aids navaids projects, 404l traffic control approach and landing system (tracks)

Product Name:

Antenna tripod bracket assembly

Special Features:

-numbers same basic p/n as nsn; assy contains 3 lower t assembly p/n -2, 1 center plate upper -8, 1 lower plate assembly -9, 1 rubber bumper 9540k34, 1 screw 91773a829, 3 rivets ms20426ad4-6, 3 hex nylon locknut 91831a029, 3 shoulder screws 97345a583, 3 velcro and hook strap assembly -12, 3 d hook end strap assembly -15

Material:

Platinum

Material:

Platinum

Surface Treatment:

Anodize

Surface Treatment:

Anodized black

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A12000
