End Application:

L8940008 istar x band receive extension 1 required

Tubing Wall Construction Style:

Seamless single tubing segment

Flange Quantity:

2

Waveguide Length:

2.000 inches

Product Name:

Wr112 waveguide

Special Features:

Brass, 4-hole o-ring grooved cover flange, 4-hole flat cover flange painted black

Flexibility:

Rigid single tubing segment

Style Designator:

Straight type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A073a0
