Overall Length:

1.250 inches

Overall Height:

0.750 inches

Overall Width:

1.250 inches

Unit Type:

Coaxial line

Special Features:

Case material is aluminum with a clear chemical conversion coating, coaxial connections 3, 1 output and 2 coupled, wideband 1 to 2000mhz

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T389-c
