Overall Length:

4.000 inches

Overall Height:

1.260 inches

Overall Width:

2.500 inches

Product Name:

Comblne diplexer

Special Features:

Operating temperature: - 35 degree celsius to + 50 degree celsius; power handling: + 40 dbm; mounting is by tapped holes in the body; connectors are sma female radius right angle, sma female radius right angle, sma female; finish is silver plate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T187-f
