Application Design:

Transmission line

End Application:

Space range systems

Insertion Loss At Minimum Attenuation In Maximum Decibels:

1.5

Overall Attenuation Range In Decibels:

+1.5/+80.0

Attenuation Variation Method:

Stepped

Special Features:

Multimode variable attenuator with st connectors

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A223a0
