**Application Design:**

Transmission line

**End Application:**

Space range systems

**Insertion Loss At Minimum Attenuation In Maximum Decibels:**

1.5

**Overall Attenuation Range In Decibels:**

+1.5/+80.0

**Attenuation Variation Method:**

Stepped

**Special Features:**

Multimode variable attenuator with st connectors

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**
