Overall Length:

1.18 inches

Impedance Rating In Ohms:

50.0

Overall Diameter:

0.559 inches

End Application:

Threat emitte

Coaxial Connector Series Designation:

N

Connector End Design:

Male

Power Rating:

2.0 watts average

Termination Type:

Connection coaxial

Cooling Method:

Self-cooled

Product Name:

Termination 18ghz n-male

Precious Material And Location:

Contact gold

Style Designator:

Coaxial mounted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A19800
