Overall Length:
1.75 inches
Impedance Rating In Ohms:
50.0
Overall Diameter:
1.53 inches
Voltage Standing Wave Ratio:
1.15 and 1.40
Coaxial Connector Series Designation:
N
Connector End Design:
Male
Power Rating:
18.0 kilowatts peak
Termination Type:
Connector
Features Provided:
Rohs directive compliance
Product Name:
Medium power coaxial termination
Special Features:
Temperatur range - minus 55 degree c to plus 125 c
Style Designator:
Coaxial mounted
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Filg:
A19800
