

View Online at <https://aerobasegroup.com/nsn/5985-01-619-3495>

Current Type:

Ac

Special Features:

Add-on feed horn de-icing heating element; 220 v; 17-38 degrees f operating temperature; moisture/temperature sensing used on any andrew active 220v de-icing systems; 2.4m

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A541v0
