Overall Length:

1.180 inches

Body Diameter:

0.559 inches

End Application:

Disk storage

Connector End Design:

Male

Power Rating:

1.000 kilowatts peak

Features Provided:

Rohs directive compliance

Product Name:

Coupler, indicator

Precious Material And Location:

Plated center contact gold

Precious Material:

Gold

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A19800
