Waveguide Length:
24.0 inches
Product Name:
Outline drawing wr112 seamless flexible waveguide w/silicone jacket
Special Features:
Material - copper and brass; waveguide size - wr 112; frequency: 7: 05 - 10 ghz; average power rating 1.3 kw; coating/covering: silicone
jacket; flange type - wr 112
Style Designator:
Straight type
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:

Fiig:

A073a0

Yes - demil/mli
