End Application:

Low power high power distance measuring equipment (lphp dme)

Special Features:

Medium power fixed coaxial attenuator; frequency range dc-4 ghz; average power, 50w; peak power, 5 kw; connector type, 2.92 mm female - 2.92 mm female; db value 30 db; swr 1.2

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A20000
