End Application:

5895-01-119-1601

Functional Description:

Code wheel used in speed control system for electric motor

General Description:

Glass pyrex corning specification 7740; line count 2048; 0.060 in. Thk; 2.812 in. Od; 1.875 in. Id

Type/model Designation:

Rd-450/ash-33

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
