**Special Features:**

8 conductor quantity, awg 14 conductor size, 9 feet o/a lg, stranded copper conductor construction, synthetic rubber insulation, bound with tape, 2 first end terminal quantity, 1 receptacle assembly p/n 7722354, 1 connector assembly p/n 7760598, 4 second end terminal quantity, 1 connector assembly p/n 7760599, 1 plug assembly p/n 7716883, 1 plug assembly p/n 7720479, 1 terminal p/n 7056709, numbered coded conductors

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

A077a0
