End Application:

2330-937-1175

Special Features:

Copper, mil-c-13486, connector terminal on one end, plug terminals on other end and branches, approx 137.000 in. Lg o/a, conductors bound with tape wrapping

Fsc Application Data:

Wiring harness, vehicular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A077a0
